Junior Empowerment Circle (JEC)

Junior Empowerment Circle is a not for profit platform focused on nurturing entrepreneurship, empowerment of youth, and personal growth in young people. We are a vibrant community of high school students (+2 or equivalent level) committed to creating a platform for connecting, learning, and achieving excellence.

Our Vision

By connecting young minds with industry expertise and fostering continuous learning, our vision is to inspire and empower the next generation of entrepreneurs, intrapreneurs, and leaders.

Our Mission

To provide a vibrant platform through which young people to explore, develop, and excel. We also aim to facilitate exposure, leadership development, and personal growth through access to resources and opportunities.

Our Objectives

- **Exposure**: Expose them to different industries through workshops, seminars, and industry visits.
- **Personal Growth:** A supportive environment that fosters personal growth.’
- **Networking**: Networking opportunities with peers, mentors, and professionals.
- **Industry Awareness:** Keep the members updated on what's going on in the industries.
- **Inspiration and Empowerment:** Inspire and empower members to pursue their passions and achieve their goals
